TARAN'70

NOW IS THE TIME...

ED AND CAMOY EDITORS
COVER by Steve Fink

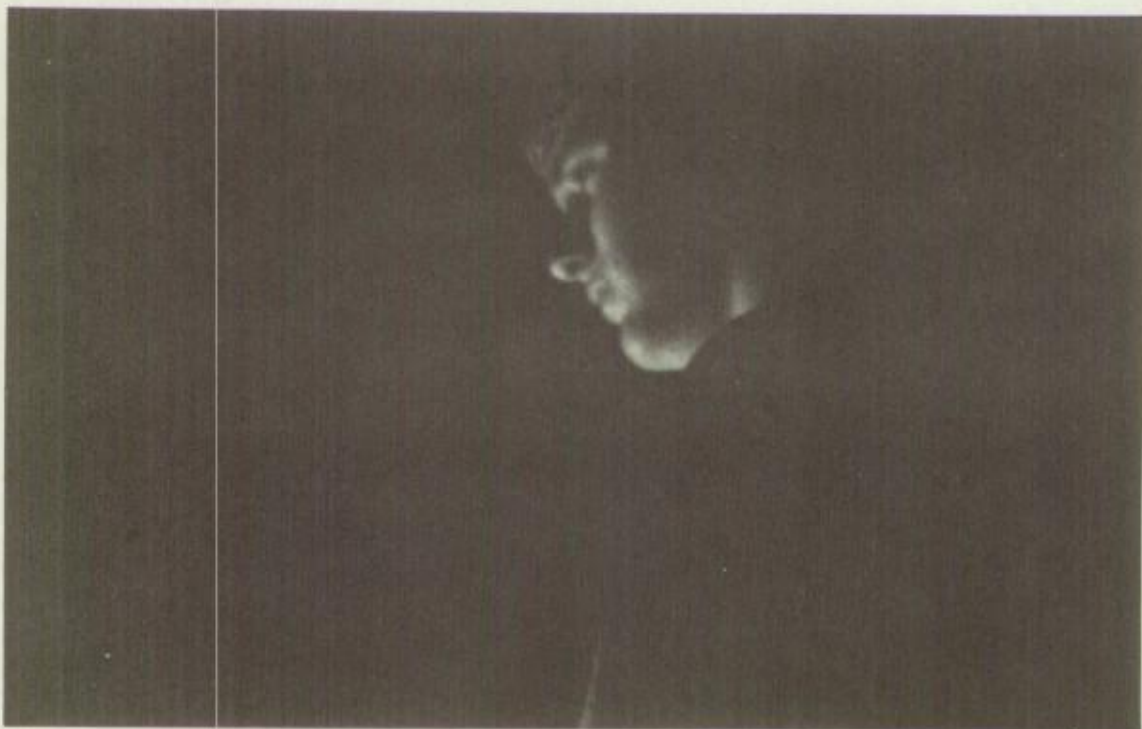

1970 Yearbook

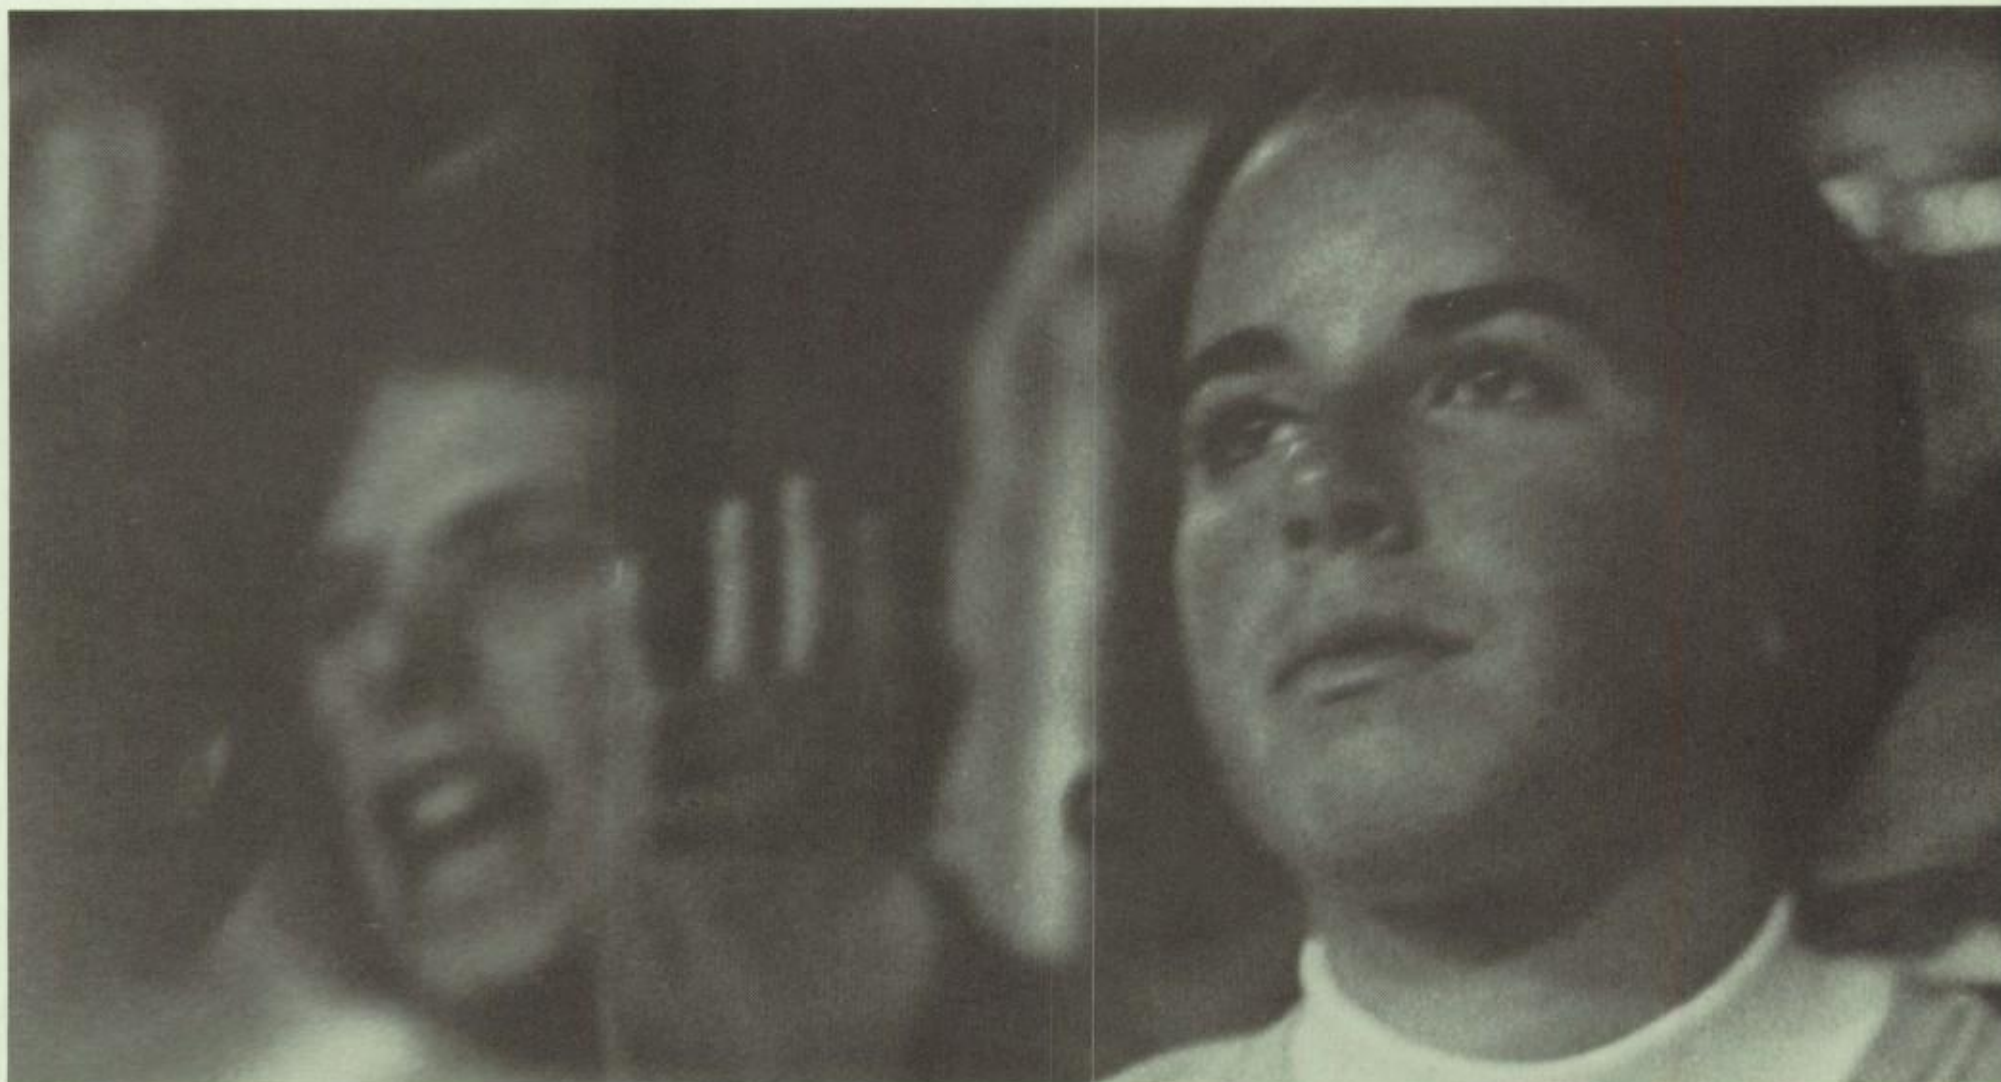

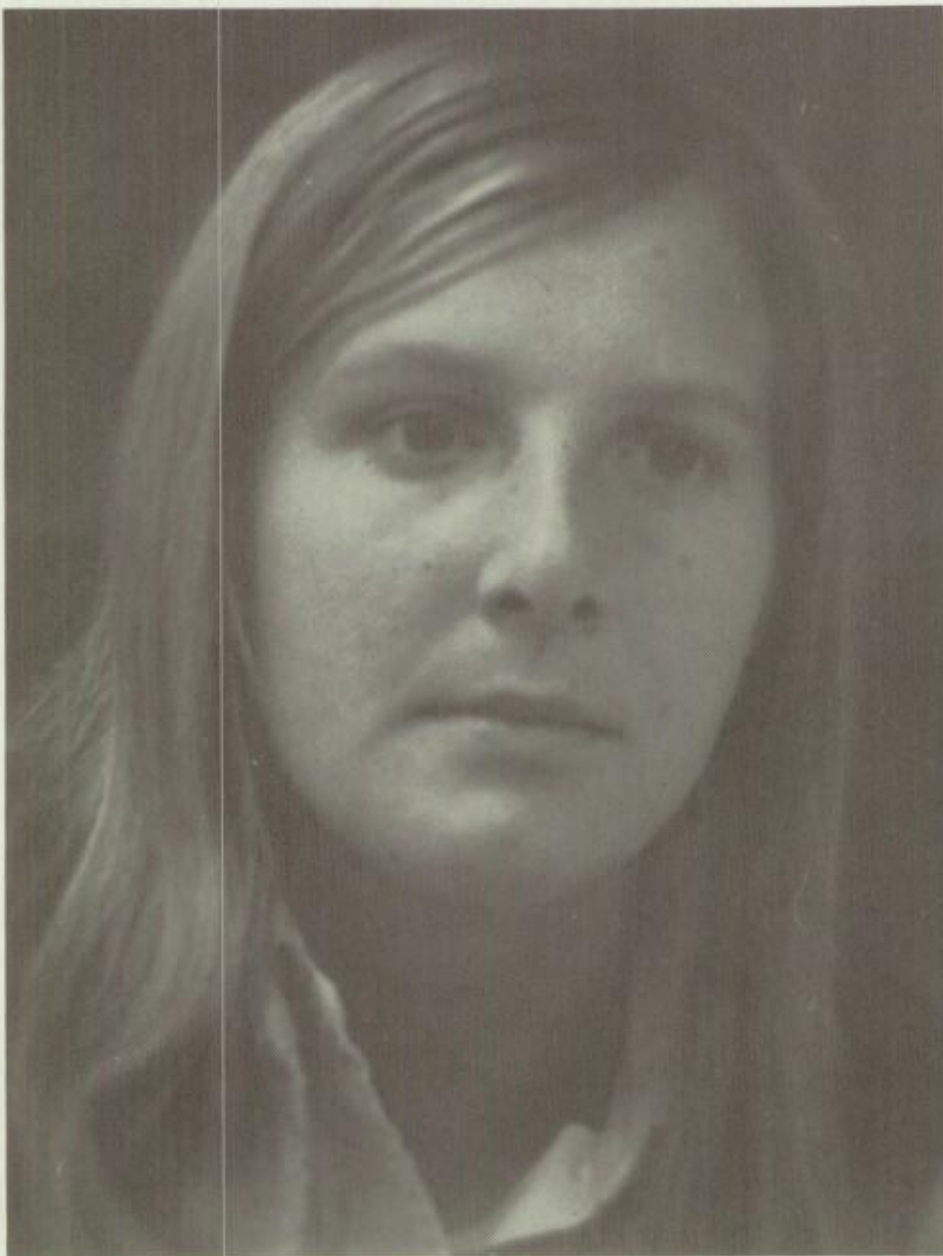

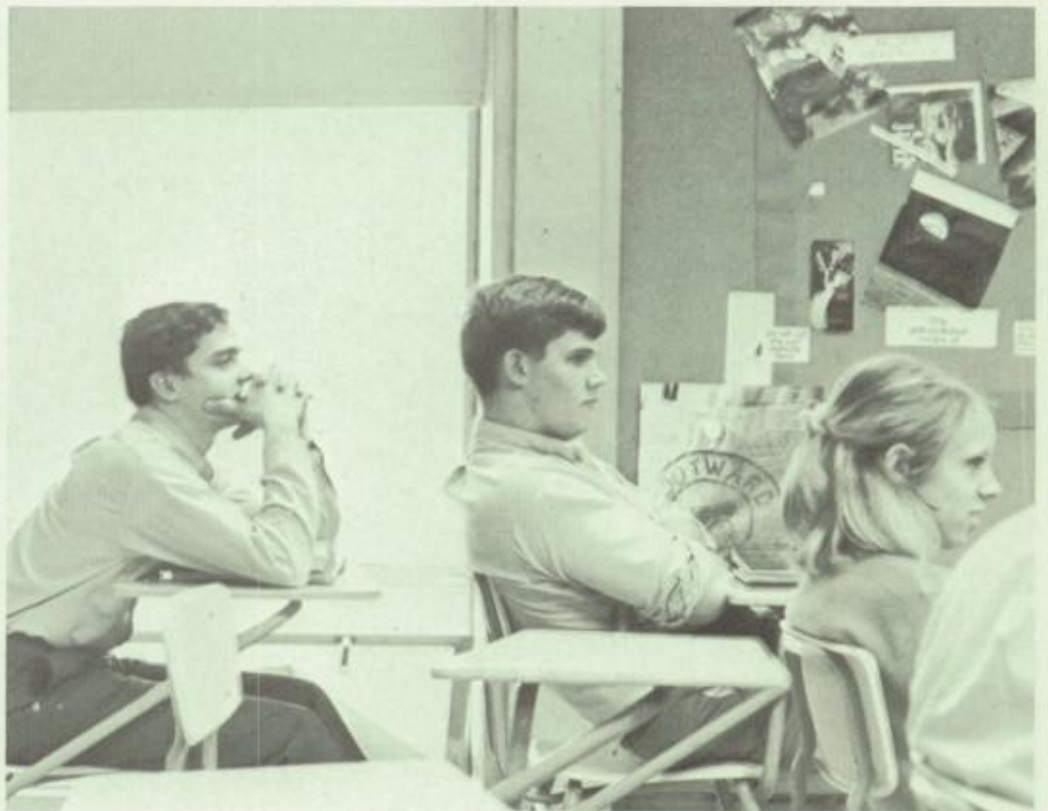

Now is the time for us to do something,
say something, and be something.
We must strive to fulfill our goals
and help make our world a better place to
live. Today is the day to stand up
and be counted.
To achieve and progress in our society,
To be happy and share with others.
Today is the day to experience
education,
understanding, and
knowledge.

We must all experience life to its fullest
Look around — examine — explore.

Man will always have a desire for knowledge.

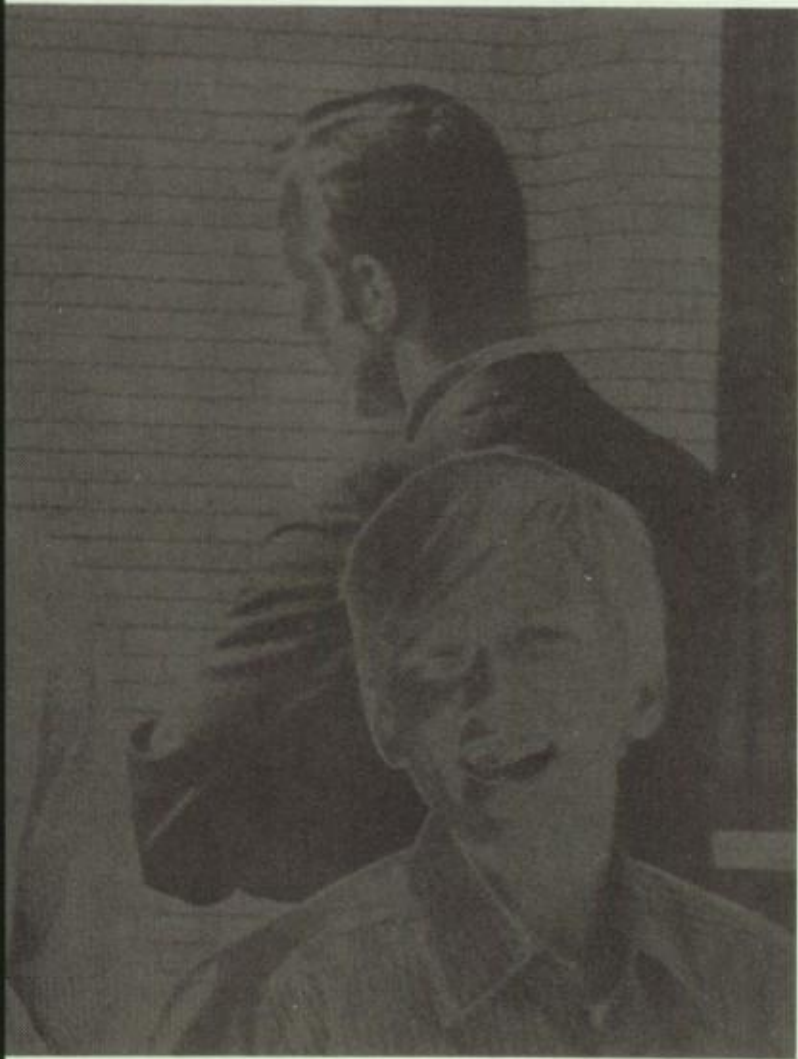

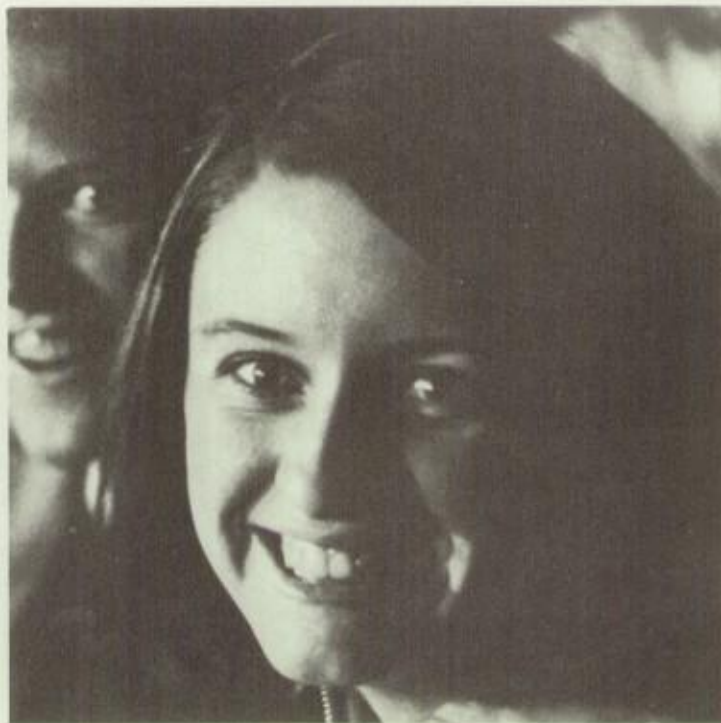

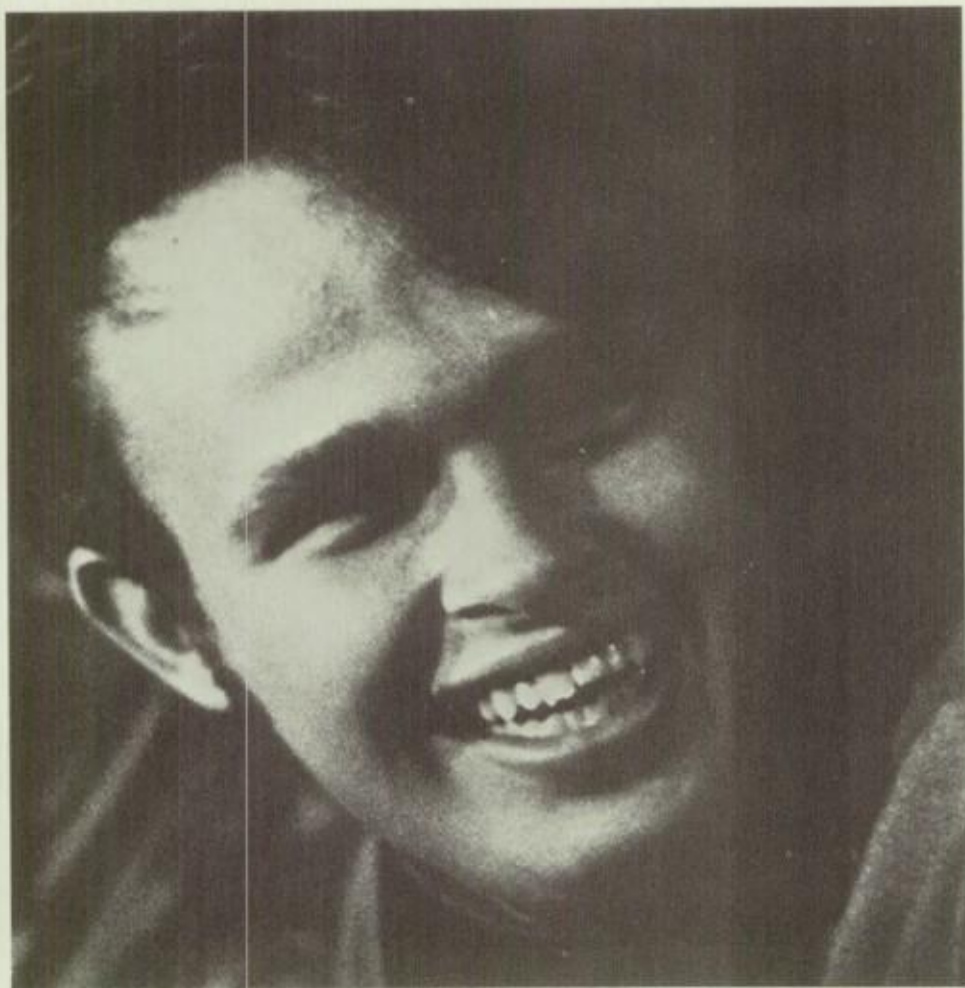

Change comes through learning,
understanding, and evaluation. 1970
promises to be a year filled with new
concepts and ideas, no matter if we decide
to accept or refuse them.

Today is not a time of corrupt youth,
but of young inquiring minds.
This year is the year to "do your own
thing." We must evaluate what
is going on in our community, school,
and country in order to improve.

We must remember our mistakes of
the past so we can correct
them for the future.

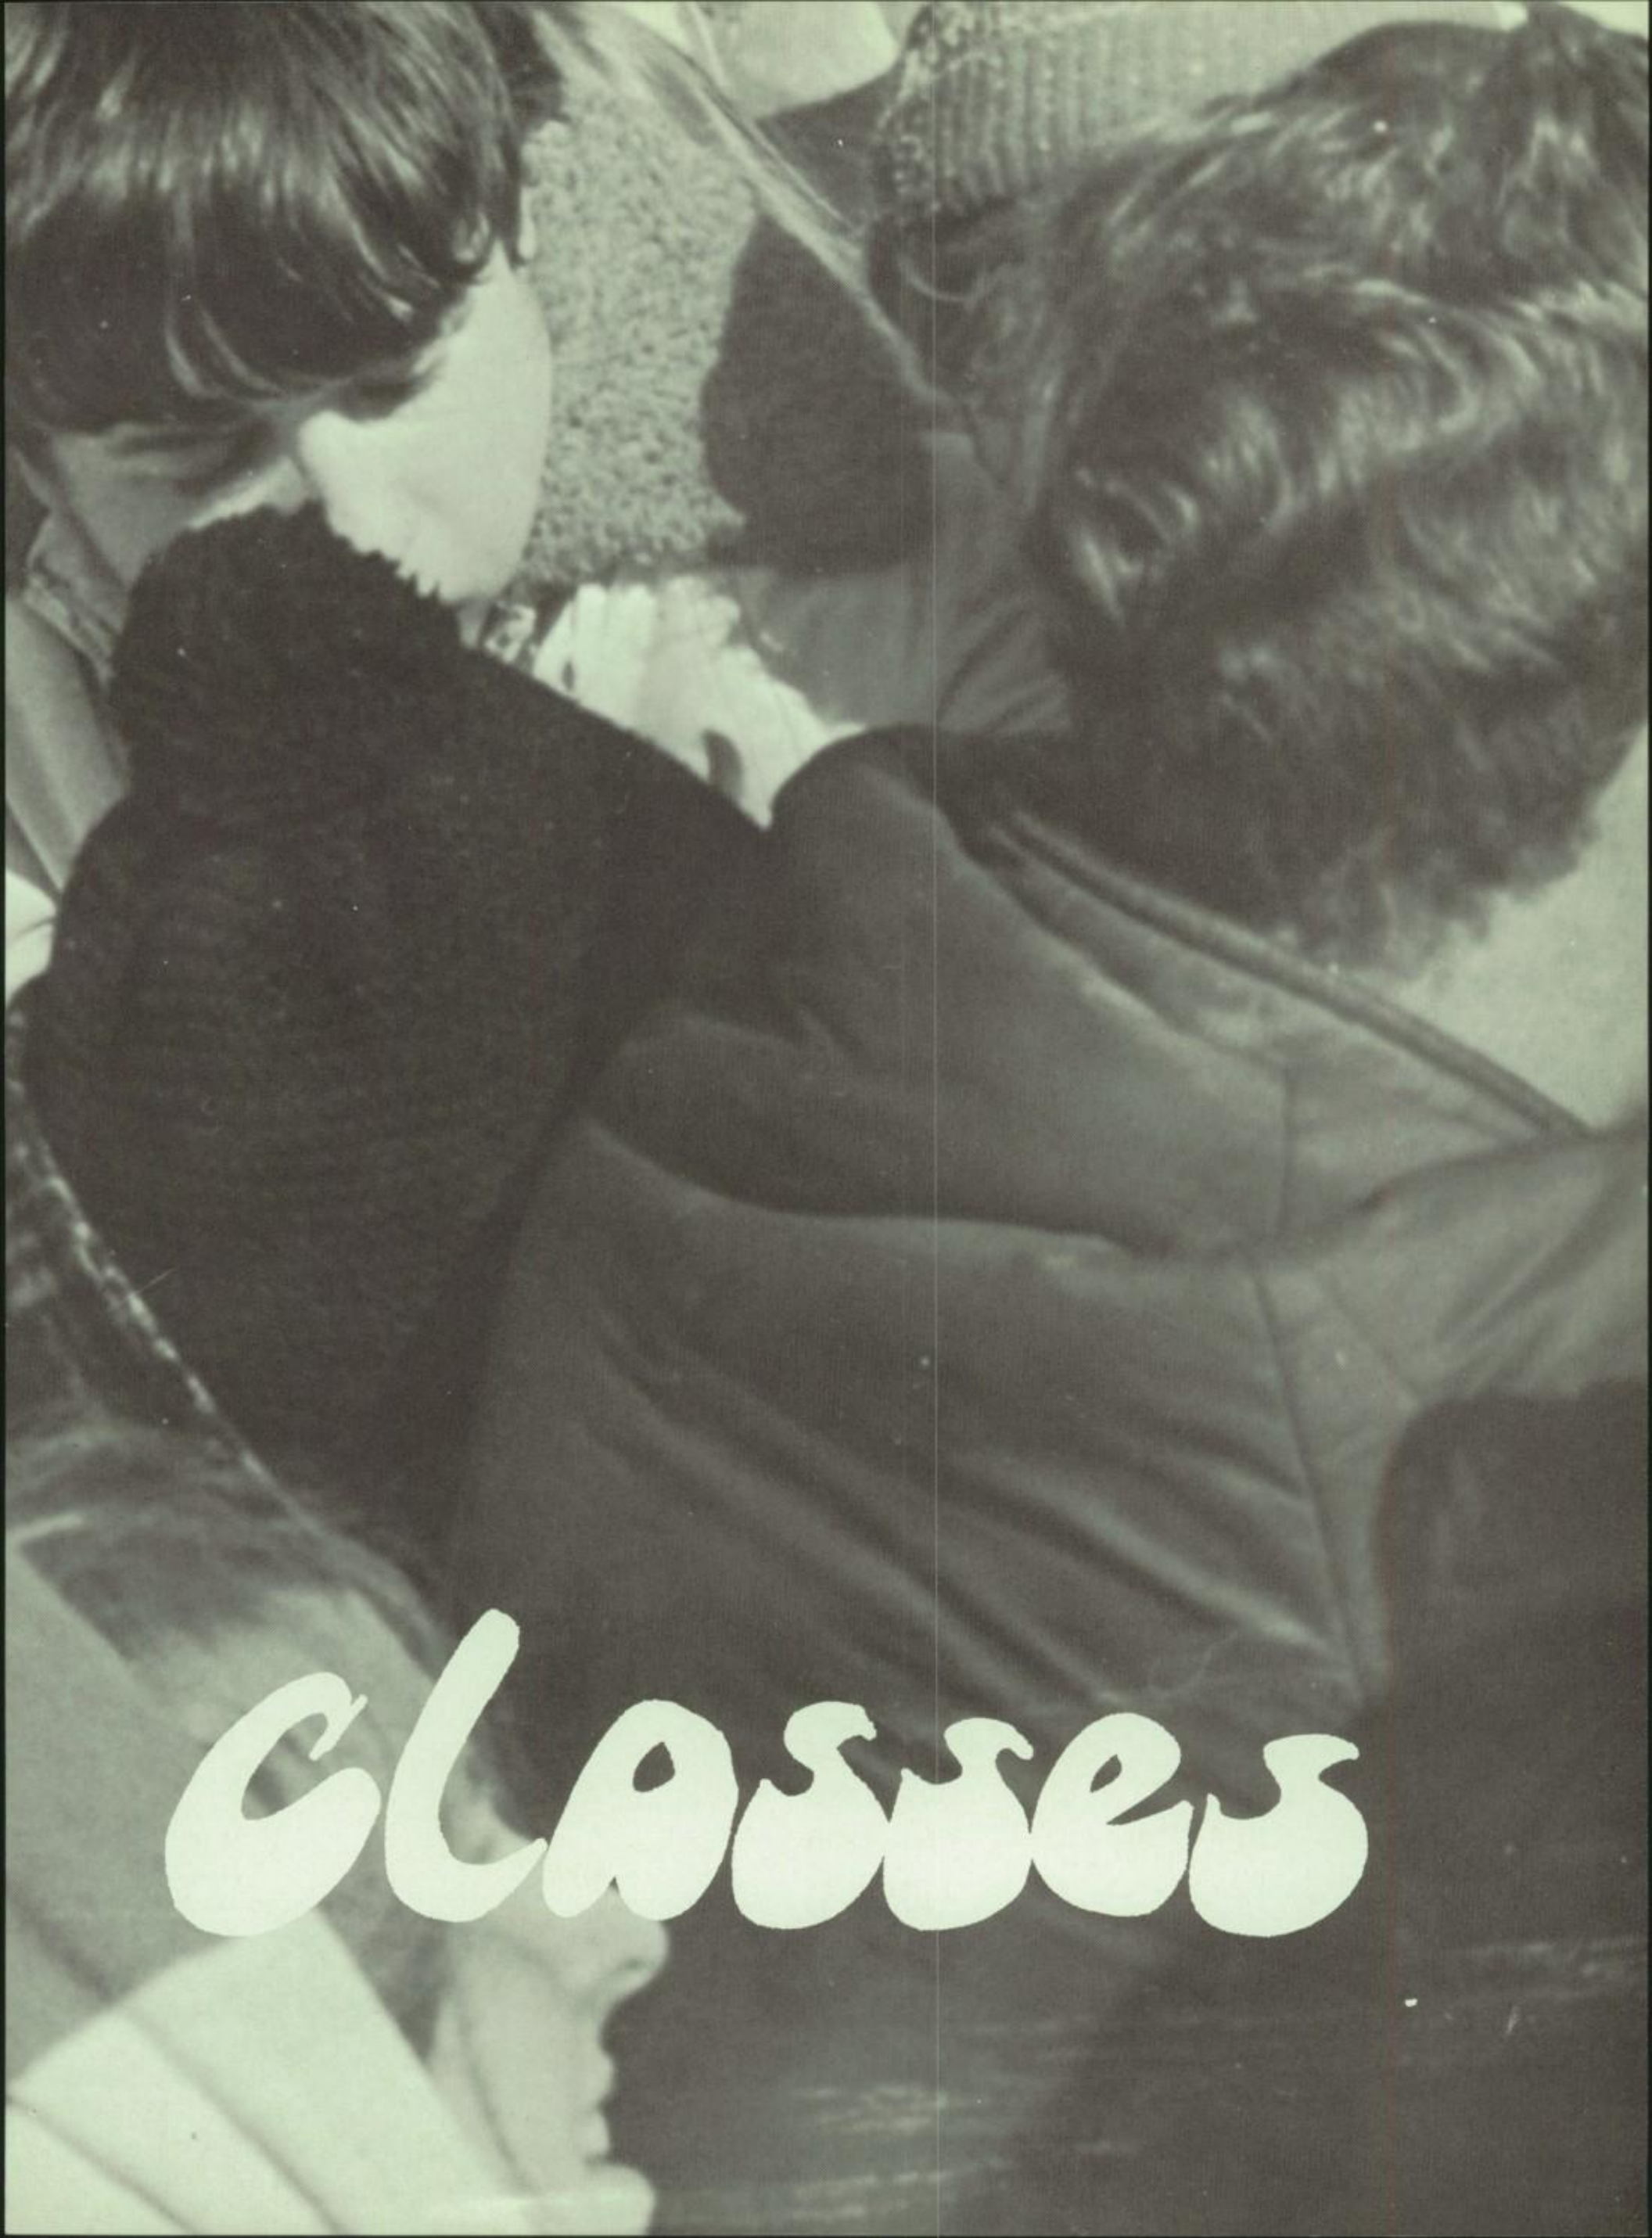

Life is short so there is no time to
keep repeating things; We
must continue to move forward.
Today is the day we should help others,
and give of ourselves —
Tomorrow it may be too late.

CLASS OF 1970

Now is the time for us to look back and reflect our years of learning and work. We must continue to ponder upon the ideas of life in order to gain a better understanding of our fellowman. As we look toward the future, we will remember all the moments of happiness, sorrow, and satisfaction which we accomplished during our years. In our hearts, we will always hold a place for Highland Park. Yesterday leaves beautiful memories, but the future holds many more.

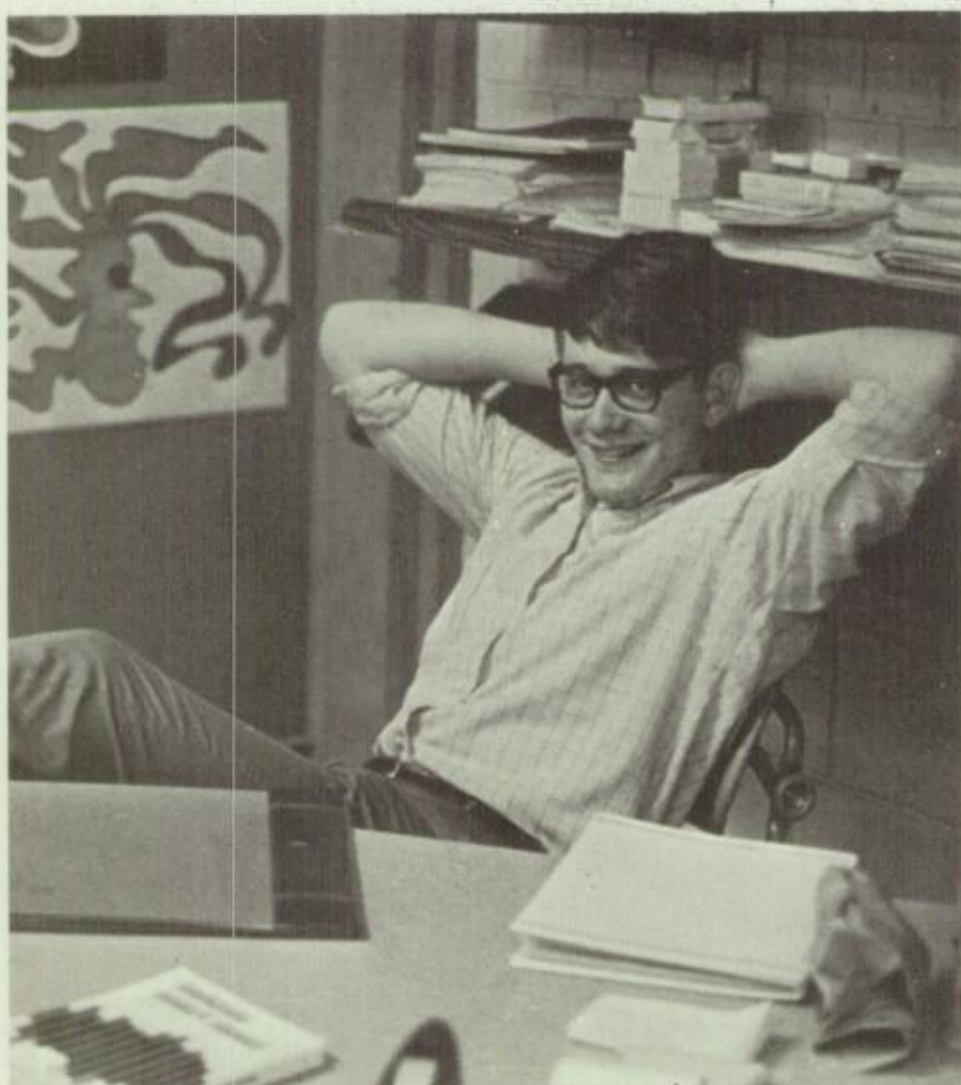

Goodbye Highland — Now is the time.

This is the end, Beautiful friend
 This is the end, My only friend,
 the end. It hurts to set you free
 But you'll never follow me.

 The end of night tried to die;
 This is the end.

THE TIME IS NOW

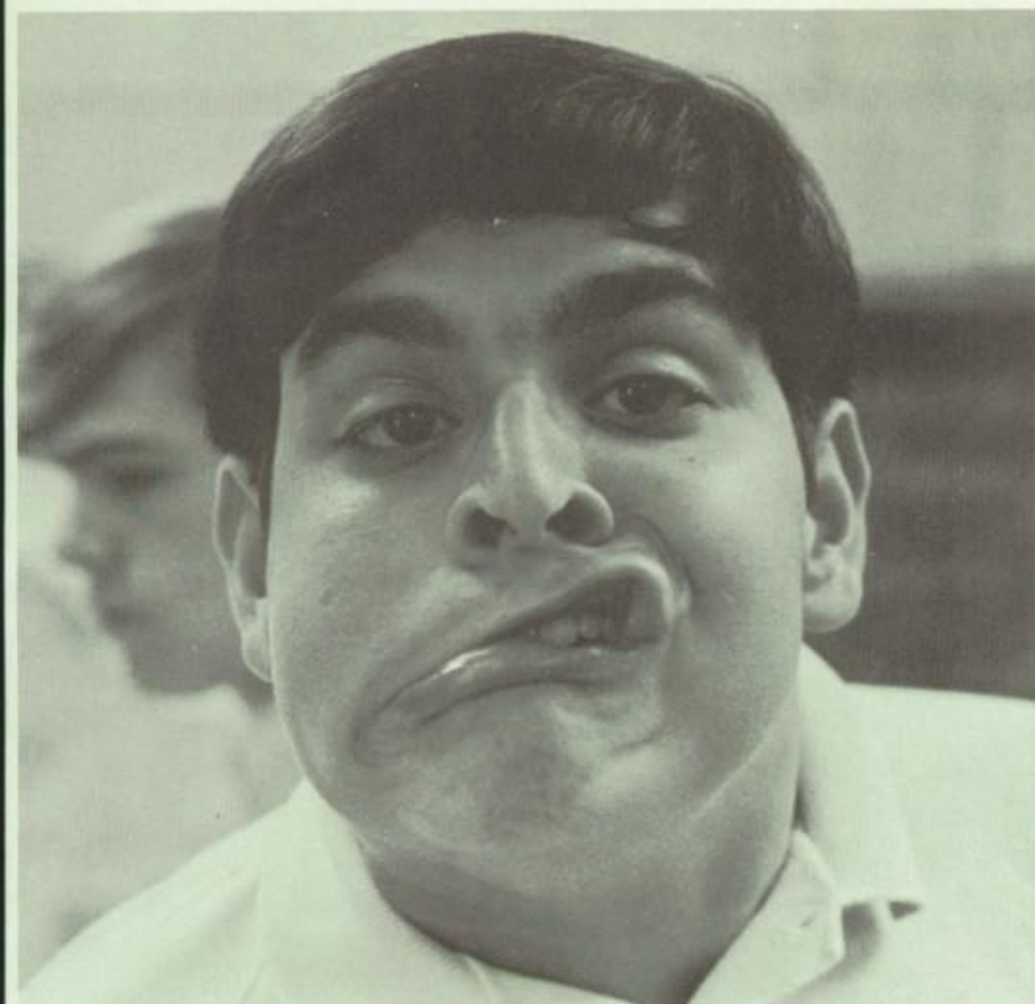

Observing the ways of life and the people we share with will enable every individual to become a better informed and well-rounded person.

If we keep on questioning and pondering over our ideas, the progress we make in the future will be unmeasurable and worth its weight in gold.

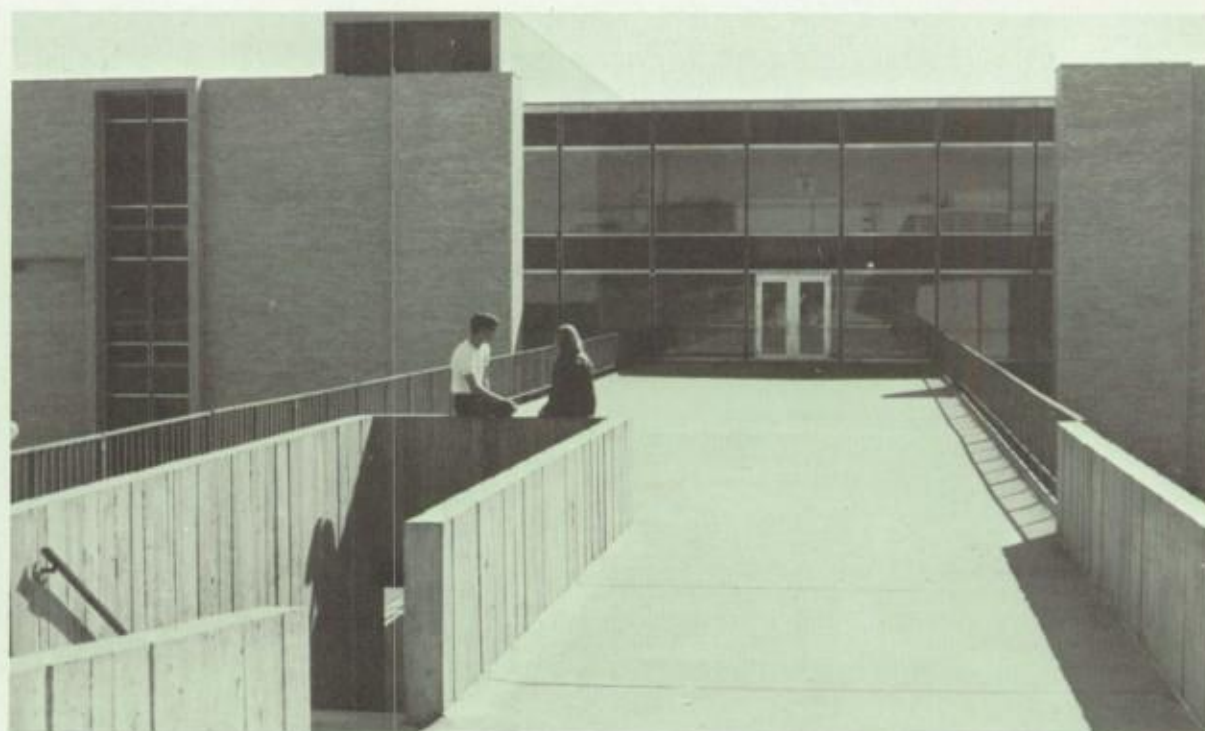

A human being is not, in any proper sense, a human being till he is educated.

Life is full of many weird and strange things, but everything we try adds to our experience of life.

We must start with small projects and finish them with perfection in order to reach the bigger and better things in life.

As we look back at Highland we shall always remember the days we spent in learning, reflecting, and sharing.

NOW IS THE TIME

If we try our hardest, we will succeed in completing any task we set out to do.

SENIOR HALL OF FAME

MOST INTELLIGENT
Miriam Anderson and Ron Epstein

If it's facts you want — Ron knows,
He has brains from his head to his toes.
But Miriam on the other hand
Is the smartest girl in Highland.

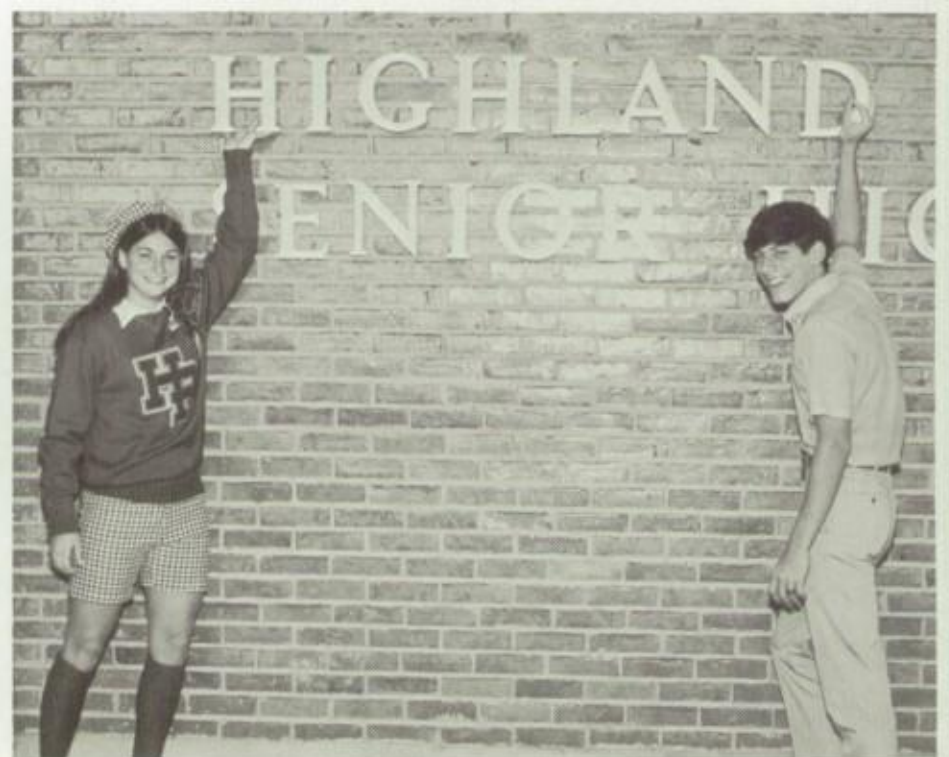

MOST LIKELY TO SUCCEED
Shari Baldinger and Steve Fink

Up the ladder to the top,
Shari and Steve will not stop,
Succeeding as the years go by
As their initiative will never die.

DONE MOST FOR HIGHLAND
Sue Machacek and Ed Lohmann

Sue and Ed have done the most
And so were elected to this here post.
Together they will lead the way
Down Highland halls to better days.

MOST SCHOOL SPIRIT
Claire Ouellette and Tom Devine

Jump, kick, yell and shout,
Claire knows what it's all about.
Tom's got spirit that's really great
Because of this, these two will rate.

BEST SENSE OF HUMOR
Carol Thomssen and Bill Salper

Watch out below
For Carol and Bill,
Their sense of humor
Will give you a thrill.

MOST TALKATIVE
Suzi Kircher and Benjie Frishberg

Talk, talk, talk
That's all they do
Benjie and Sue
Say hello to you.

MOST UNPREDICTABLE
Shelley Simes and Jerry Leonard

Shelley is a little weird
And Jerry is the same,
That is why they were chosen
For the Senior Hall of Fame.

BIGGEST FLIRT
Jenni Kuehn and Mike Fay

Jen and Mike are quite a pair
Their flirting is beyond compare,
It's known their feelings will not be hurt
Since they were chosen the 2 biggest flirts.

FRIENDLIEST
Susie Eha and Ben Marz

With a smile in the morning
And laughter in the night,
Suzie is sure to win new friends
And Ben will do all right.

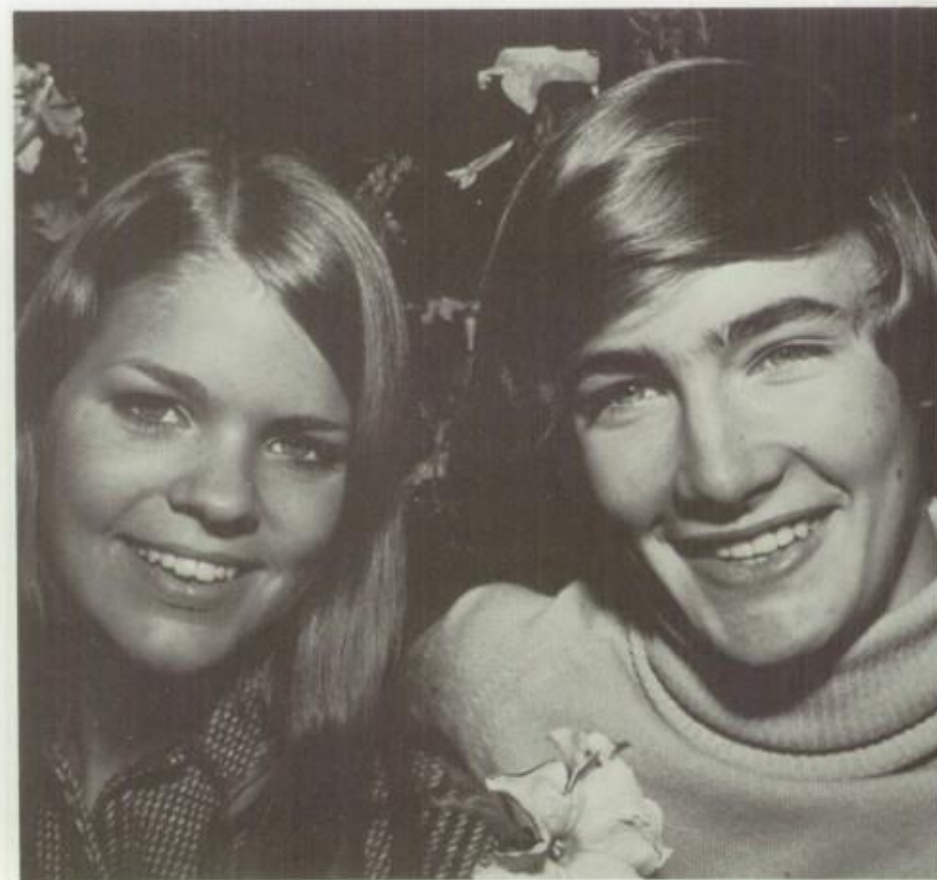

BEST ALL AROUND
Kathy Moriarty and Larry Bans

Scotties, music, leadership too
That's what Kathy does for you.
Tennis, meetings, work, and play
Keeps Larry busy everyday.

BEST FIGURE AND PHYSIQUE
Laurie Warren and Nick Muntean

Nick eats his Cheerios — that we know
That's what makes his muscles grow.
Laurie eats her Grapenuts too,
She has the figure to prove this true.

BEST LOOKING
Debby Welte and Steve Chase

Steve's the guy who'll catch your eye;
Girls look at him and then they sigh.
Quite a gal that Debby is
Maybe someday she'll make show biz.

MOST ARTISTIC
Ilene Krug and Gordy Pollack

Gordy's really got the touch
To paint Ilene with his brush
Someday they will be,
The greatest artists in history.

BEST DANCERS
Chris Tschida and Bill Mathews

Chris and Bill could dance all day
"Look at them," is what we say.
They know the steps, and how to shake
And that's the reason they dance so great.

MOST ATHLETIC
Chris Mikschl and Steve Smasal

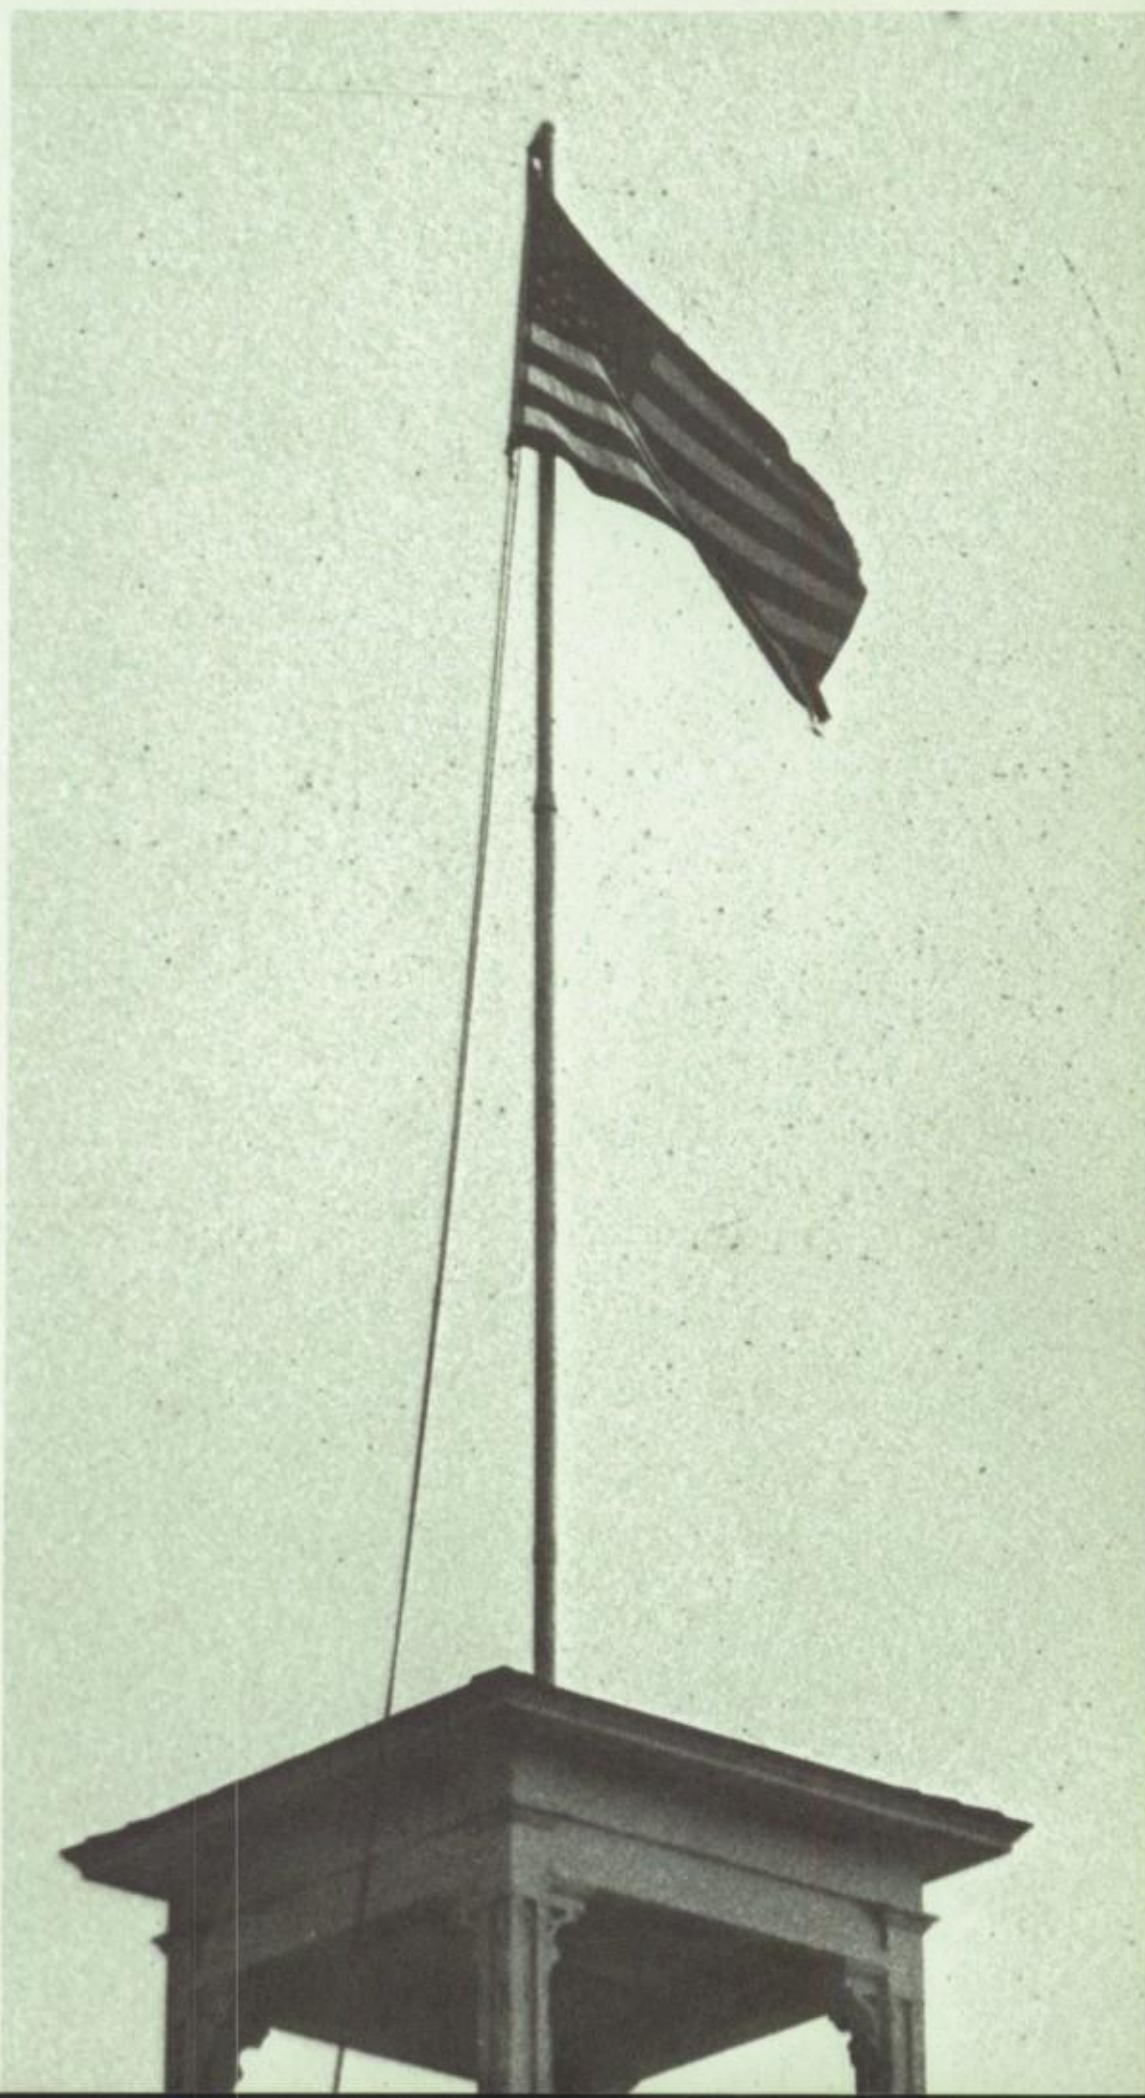

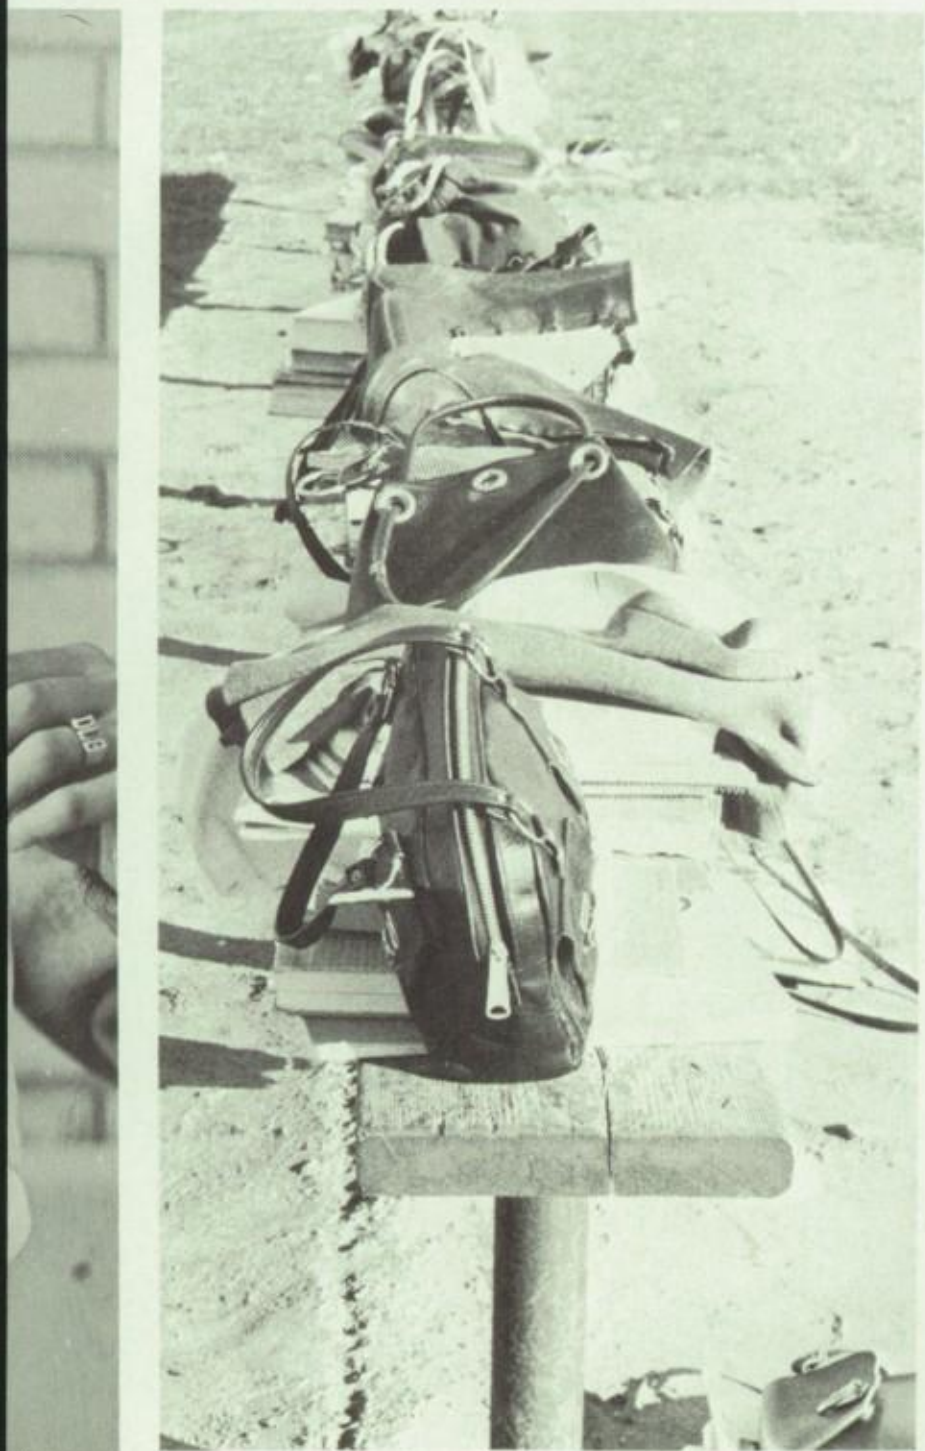

Football and hockey are his best,
Steve stands out from all the rest.
As President of G.A.A.
Chris will always lead the way.

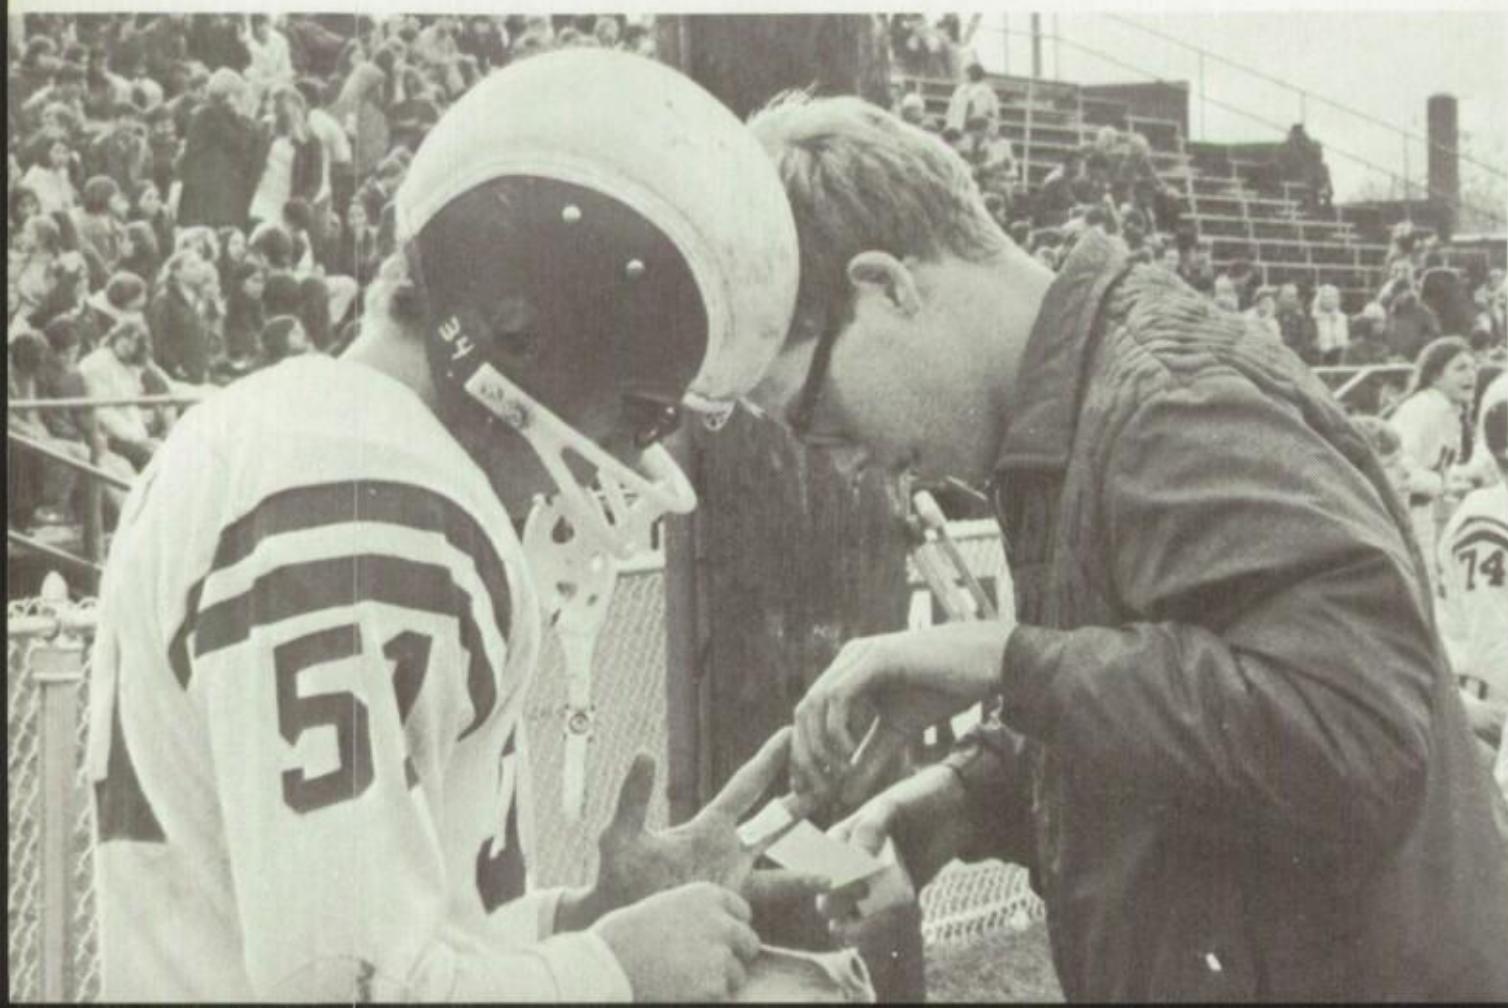

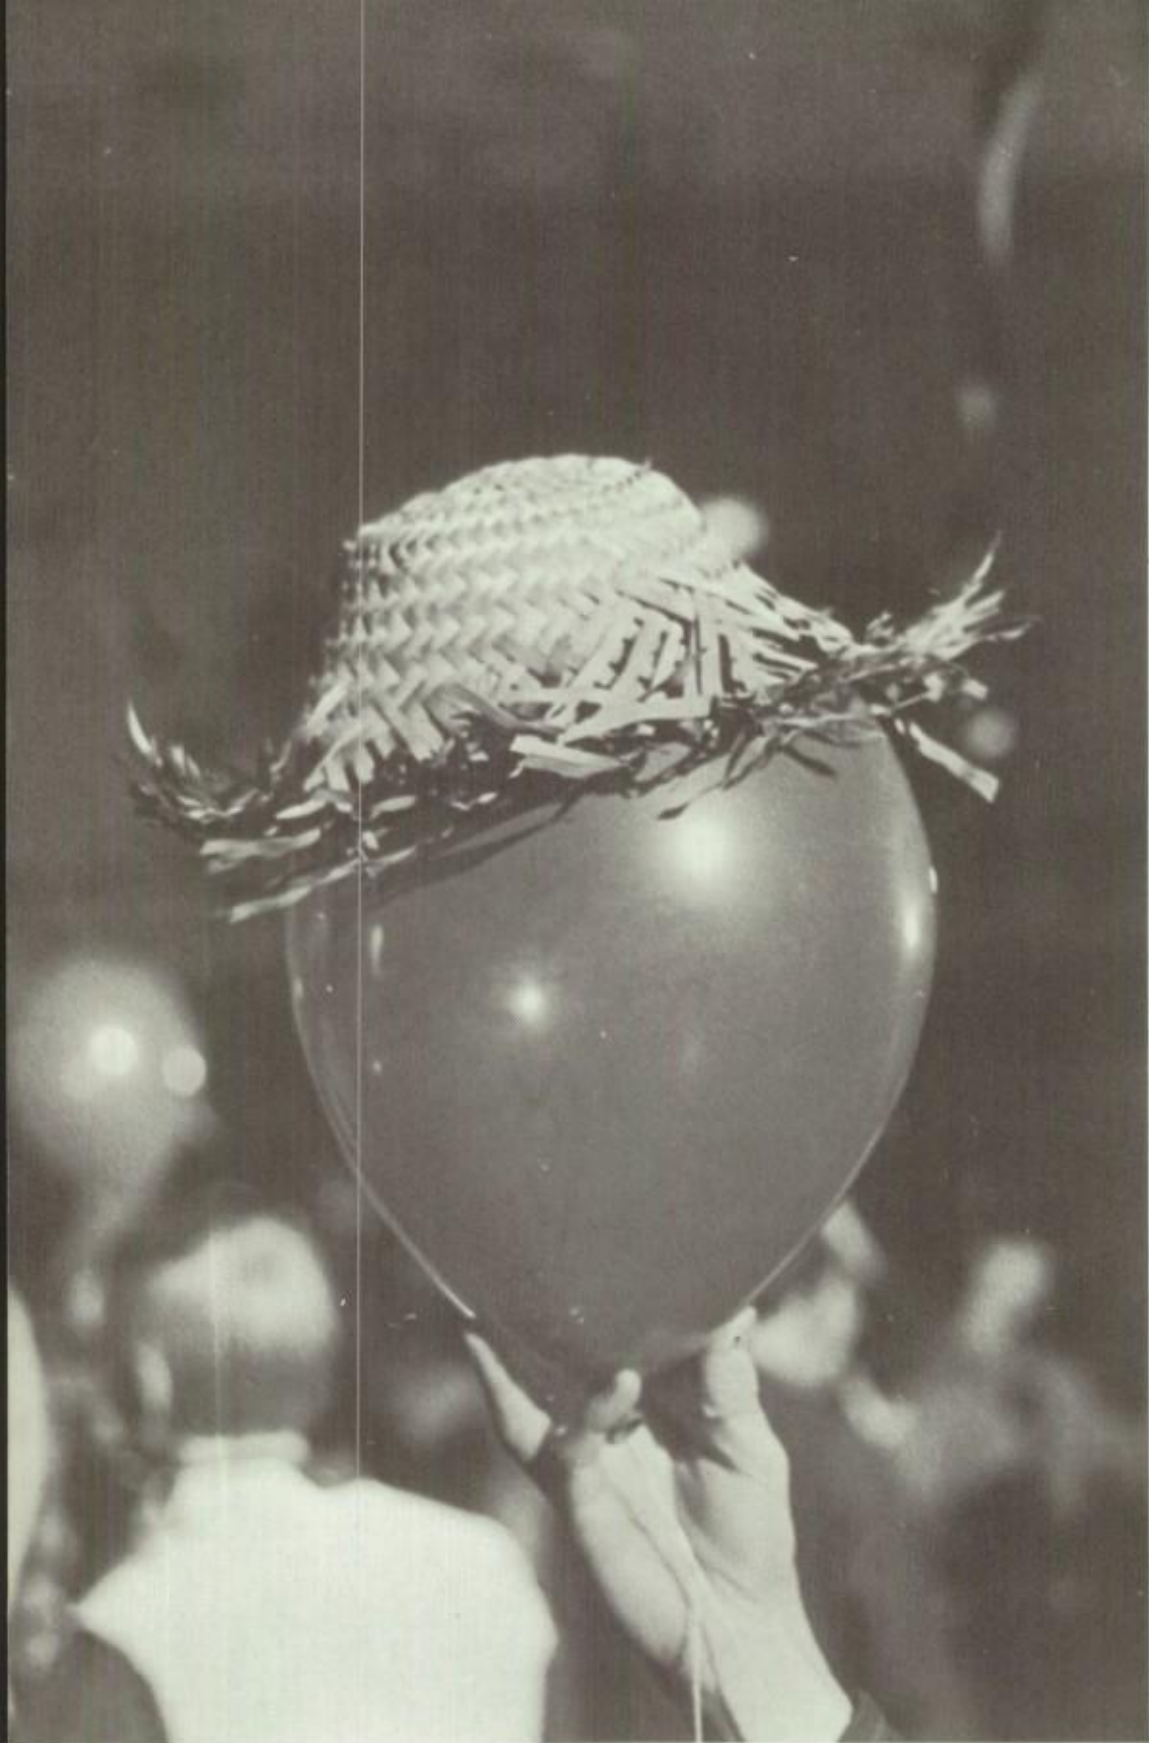

MOST DRAMATIC
Sue Saloka and Chris Morton

Look at Chris make that face
He's so dramatic, he's won first place.
Sue can act the best by far
Someday she may become a star.

FACULTY

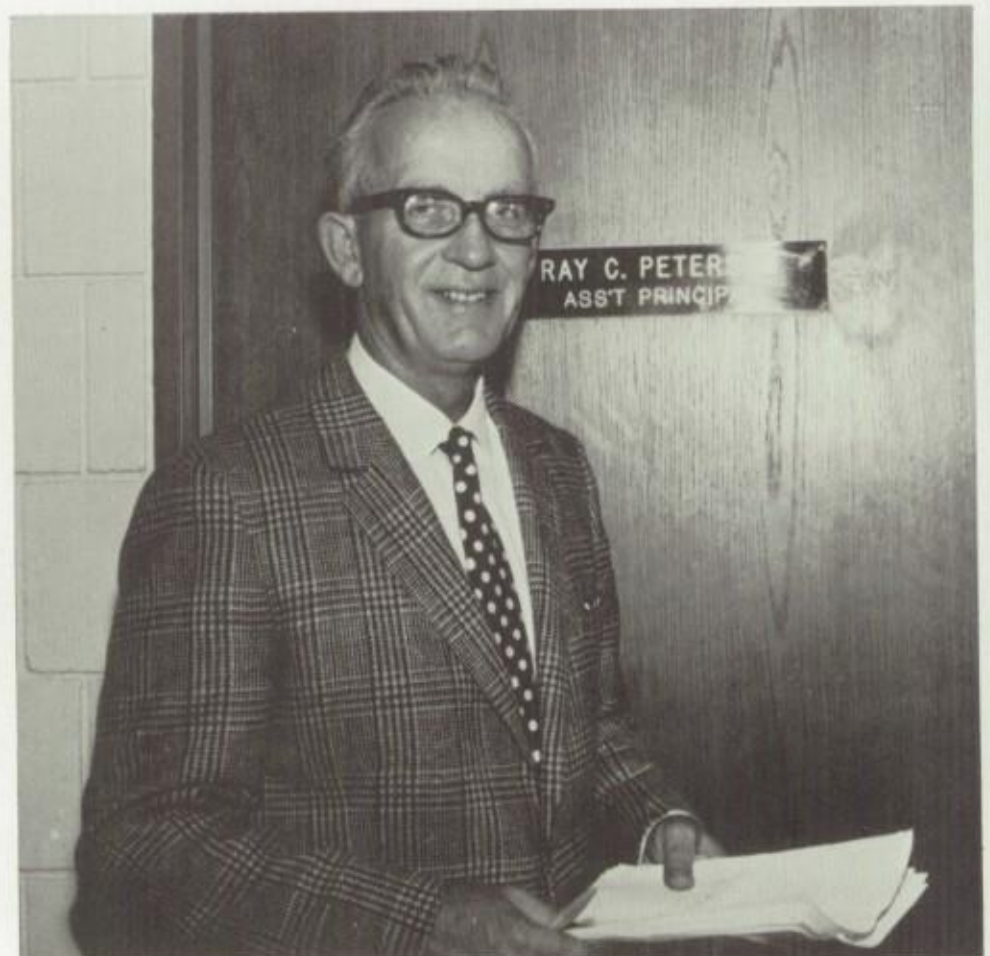

In your three years at Highland you have been exposed to many different viewpoints and ideas. I hope that you have found this exposure challenging. After graduation you must formulate your own ideas.

I hope that you will make these important decisions wisely. Live your life with love and understanding, for this is essential if one is to succeed in today's world.

William J. Scanlon
Principal

This high school annual presents a panoramic view of pictures and summaries of many of your schoolmates and their activities during the previous schoolyear. It is the hope of the staff that your years here have been profitable ones, and that the educational experiences you have received will stand in good stead in meeting and solving life's problems in the future. May your future life have many happy experiences. Members of the staff give their best wishes for that end.
